

INSTRUCTIONS

Make some spy binoculars. Cut 2 pieces of card to A6 size. Roll them into tubes and staple/stick the ends together. Staple/stick the 2 rolls together to make binoculars. Make a hole on either side. Thread the string/wool through the hole and tie off the ends to make a neck strap. Colour in the memory verse (below) and stick onto the binoculars.

SURELY, I AM WITH YOU
ALWAYS, TO THE VERY
END OF THE AGE.
